Introduction

Welcome to your OK To Travel insurance policy

This policy wording along with **your policy schedule** and any appropriate endorsements form the basis of **your** contract of insurance with **us**. Together, these documents detail and explain what **you** are covered for and what **you** are not covered for.

Different levels of cover apply depending on whether **you** have bought a Standard, Premier, Premier Extra or Premier Plus policy. **Your policy schedule** will also show whether **you** have purchased any additional sections of cover, as outlined in the [summary of cover](#).

Please read this policy wording to make sure that the cover meets **your** needs and please check the details outlined within **your policy schedule** and any applicable endorsements to make sure that the information shown is correct.

If **your trip** is solely within the **United Kingdom**, cover under some of the sections listed below will not apply. Please refer to the individual section within the policy wording for full details.

Foreign, Commonwealth & Development Office (FCDO) Advice

This insurance policy will not cover **you** to travel to a specific country or to an area where, prior to **your trip** commencing, the Foreign, Commonwealth & Development Office (FCDO) have advised against all (or all but essential) travel.

It is **your** responsibility to check the latest advice from the FCDO prior to commencing **your trip**, which **you** can find at www.gov.uk/foreign-travel-advice.

Pregnancy

As is consistent with the treatment of all **medical conditions** under the policy, the policy does not cover the costs or losses for any consultation or treatment associated with normal pregnancy (including multiple pregnancy) or childbirth. This includes, but is not limited to, delivery by caesarean section or any other medically or surgically assisted delivery which does not cause medical complications. The policy does, however, provide cover for **your** unexpected **complications of pregnancy or childbirth**, which occurs while on **your trip**, excluding costs incurred during the period between 12 weeks before and 12 weeks after the estimated date of delivery (or 16 weeks in the case of a multiple pregnancy).

This is not a private medical insurance policy and is only designed to cover you for emergency treatment

Your travel insurance policy is not a private medical insurance policy and does not cover private medical treatment, private hospital costs or other related expenses incurred, unless these have been specifically agreed and authorised by the Medical Emergency Assistance Company as part of a medical emergency covered by this policy.

This policy is only designed to cover **you** for emergency treatment. Emergency treatment means unforeseen and unplanned treatment that is needed for the sudden onset of an acute condition, which for medical reasons and in the opinion of the Medical Emergency Assistance Company, cannot be delayed until **you** return to the **United Kingdom**. The decision of the Medical Emergency Assistance Company is final.

An acute condition means: A disease, **illness** or **bodily injury** that is likely to respond quickly to treatment which aims to return **you** to the state of health **you** were in immediately before suffering the disease, **illness** or **bodily injury**, or which leads to **your** full recovery.

Claims for reimbursement of costs

This insurance policy will only respond to claims for **irrecoverable costs** once those principally responsible for reimbursing the cost have been exhausted. For example, transport and accommodation costs – **You** should, in the first instance, contact **your** tour operator, airline, accommodation provider, credit or debit card providers to source a refund, as in most instances, either as a result of the Package Travel & Linked Arrangement Regulations 2018; EU Transport Regulations; Consumer Credit Act; or Debit card charge backs, a refund is legally due.

Eligibility

This policy is only available to **you** if:

1. **You** are in the **United Kingdom** at the time of purchasing this policy. Any **trip** that has begun when **you** purchase this insurance will not be covered
2. **Your trip** starts and ends in the **United Kingdom**
3. **You** are permanently resident in the **United Kingdom** and have **your** main **home** in the **United Kingdom**
4. **You** have been in the **United Kingdom** for a minimum of 6 months in the year prior to purchasing **your** insurance policy
5. **You** are registered with a **doctor** in the **United Kingdom**
6. **You** are fit to travel and not travelling against the advice of a **doctor** or where **you** would have been if **you** had sought their advice before beginning **your trip**
7. **You** are not travelling with the intention of receiving medical treatment
8. **You** have not received a terminal prognosis
9. **You** do not have an undiagnosed **medical condition** (e.g. a **medical condition** **you** are aware of, but for which **you** have not had a diagnosis)

Reciprocal health agreements

European Health Insurance Card (EHIC)/Global Health Insurance Card (GHIC)

If **you** already have a valid EHIC, it will continue to entitle **you** to reduced cost, sometimes free, medical treatment that becomes necessary while **you** are in a European Economic Area (EEA) country or Switzerland. The EEA consists of the European Union (EU) countries plus Iceland, Liechtenstein and Norway. Cover will end on the expiry date of **your** EHIC.

If **you** do not have a valid EHIC or it is due to expire before **you** travel, **you** can apply for a GHIC. This entitles **you** to reduced cost, sometimes free, medical treatment that becomes necessary while **you** are in a European Union (EU) country.

These cards give access to state-provided medical treatment only. Remember, this might not cover all the things **you** would expect to get free of charge from the NHS in the **UK**. **You** may have to make a contribution to the cost of **your** care. **You** may apply for a GHIC online at www.ghic.org.uk or by calling 0300 330 1350.

In the event of liability being accepted for a medical expenses claim, which has been reduced by the use of an EHIC or GHIC, **we** will not apply the deduction of the excess under Section B1 (Medical & other expenses outside of the UK).

NOTE:

The EHIC/GHIC does not cover the cost of medical treatment in a private hospital or clinic, the additional cost of returning to the **United Kingdom** or for a **relative** to stay or fly out to be with **you**. In a medical emergency **you** may have no control over the hospital **you** are taken to, and the closest hospital may be private.

Australia

If **you** are travelling to Australia, **you** can enrol in Medicare which will entitle **you** to subsidised hospital treatments and medicines. **You** can do this by contacting a local Medicare office in Australia.

All claims for refunds under the Medicare scheme must be made before **you** leave Australia. For more information on Medicare visit: www.medicareaustralia.gov.au or email: medicare@medicareaustralia.gov.au.

New Zealand

If **you** require medical treatment in New Zealand, there are reciprocal agreements, but a person may not enrol with a Primary Health Organisation (PHO). They should get the same health subsidies as a New Zealand citizen visiting a general practitioner as a casual patient, if the **doctor** has decided the condition needs prompt attention. For more information, please go to www.health.govt.nz or email: info@health.govt.nz

Alternatively, please call the Medical Emergency Assistance Company for guidance.

Travel delays - EC Regulations

This policy is not designed to cover costs which are met under the EC Regulation No. 261/2004. Under this Regulation if **you** have a confirmed reservation on a flight, and that flight is delayed by between 2 and 4 hours (length of time depends on the length of **your** flight) the airline must offer **you** meals, refreshments and hotel accommodation. If the delay is more than 5 hours, the airline must offer to refund **your** ticket. The Regulations should apply to all flights, whether budget, chartered or scheduled, originating in the EU, or flying into the EU using an EU carrier.

If **your** flight is delayed or cancelled, **you** must in the first instance approach **your** airline and clarify with them what costs they will pay under the Regulation.

If **you** would like to know more about **your** rights under this Regulation, additional useful information can be found on the Civil Aviation Authority website (www.caa.co.uk).

1. **You** must comply with the:
 - a) [Eligibility](#)
 - b) [Age eligibility](#),
 - c) [Important conditions relating to health](#), and
 - d) [Change in health](#).
2. **You** must have a valid **policy schedule**.
3. **You** must be fit to travel on **your trip** and not travel against the advice of a **doctor** (or where **you** would have been if **you** had sought their advice) before commencing **your trip**.
4. **You** accept that the terms and conditions of the policy cannot be changed by **you** unless **we** agree to the change in writing.
5. This policy is not transferable.
6. **You** must take reasonable care to protect **yourself** and **your** property against accident, **bodily injury**, loss and damage, as if **you** were not insured.
7. **You** must take all reasonable steps to avoid or reduce any loss, which may mean that **you** have to make a claim under this insurance. (For example, if **you** receive hospital treatment in a European Union country, **you** should produce **your** European Health Insurance Card (EHIC) or Global Health Insurance Card (GHIC)).
8. This insurance policy will only respond to claims for **irrecoverable costs** once those principally responsible for reimbursing the cost have been exhausted. For example, transport and accommodation costs – **You** should, in the first instance, contact **your** tour operator, airline, accommodation provider, credit or debit card providers to source a refund, as in most instances, either as a result of the Package Travel & Linked Arrangement Regulations 2018; EU Transport Regulations; Consumer Credit Act; or Debit card charge backs, a refund is legally due.
9. **You** must contact **us** as soon as possible with full details of anything which may result in a claim and give **us** all the information and documentation **we** ask for throughout the claims process. Please see 'Claims Information' below for more information.
10. **You** must not negotiate, pay, settle, admit or deny any claim unless **you** **our** written permission.
11. **We** will not pay any interest on any amount payable under this policy.
12. **You** must send **us** (at **our** request and expense) any damaged items after a claim has been settled, as they will become **our** property.
13. Several Liability Notice. The subscribing (re)insurers' obligations under contracts of (re)insurance to which they subscribe are several and not joint and are limited solely to the extent of their individual subscriptions. The subscribing (re)insurers are not responsible for the subscription of any co-subscribing (re)insurer who for any reason does not satisfy all or part of its obligations.
14. This policy will not provide any cover or pay any claim or provide any benefit to the extent that this cover, payment of a claim or benefit would expose **us** to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, **United Kingdom** or the United States of America.

We have the right to do the following:

1. Cancel the policy if **you** tell **us** something that is not true, and this influences **our** decision to provide cover.
2. Cancel the policy and make no payment if **you** or anyone acting for **you**:
 - a) make a claim that is dishonest, intentionally exaggerated or fraudulent in any way; or

- b) provide any false or misleading information when supporting a claim.

In these circumstances **we** may report the matter to the police.

3. Take over and deal with, in **your** name, any claim **you** make under this policy.
4. Take legal action in **your** name (but at **our** expense) and ask **you** to give **us** any details **we** need, and to fill in any necessary forms, which will help **us** to recover any payment **we** have made under this policy.
5. With **your** or **your** personal representative's permission, get information from **your** medical records to help **us** or **our** representatives deal with any claim. This could involve **you** being medically examined or having a post-mortem after **your** death. **We** will not give personal information about **you** to any other organisation without **your** permission.
6. Return **you** to the **United Kingdom** at any time during **your trip** if **you** are taken ill or injured. **We** will only do this if the **doctor** treating **you** and **our** medical advisers agree. If there is a dispute, **we** will ask for an independent medical opinion.
7. Not accept liability for the costs of bringing **you** back to the **United Kingdom** or treatment if **you** refuse to follow advice from the **doctor** treating **you** and **our** medical advisers.
8. Refuse to pay any claim under this policy for any amounts covered by another insurance or by anyone or anywhere else (for example, any amounts **you** can get back from private health insurance, any reciprocal health agreement, travel providers, home contents insurers or any other claim amount that can be recovered by **you**). In these circumstances **we** will only pay **our** share of the claim.
9. Ask **you** to pay **us** back any amounts that **we** have paid which are not covered under this policy.
10. If **you** cancel or cut short **your trip** for any reason other than those specified as being covered in section A (Cancelling your trip) or section D (Cutting your trip short), **we** will cancel all cover provided by **your** policy for that **trip**, without refunding **your** premium.
